

The Most Radical Conversion In The Bible

Acts 9:1-31

1. Can you share a situation that God used to get your attention like Paul in order to turn you around?

2. Who was the person or people God used like Ananias in your story?

3. Have you had the opportunity to be an "Ananias" to someone lately? What are some of the fears we face like Ananias shared?

4. Who's the "Barnabas" (Son of Encouragement) in your life vouching for you & believing in you?

Challenge: Take time out this week to thank and encourage the person who's been lifting you up and also find someone else to encourage.
