

**Living a Life of Adventure with God**  
**Acts 11:18-30**  
**Chad Harrington**

We all want a life of **adventure** with God.

But we're not always experiencing that because of **selfishness**, **blindness**, and **fear**.

God understands our weaknesses because he knows his kingdom requires a major shift of **mindset**.

So he gave us his **Holy Spirit** to help us on our adventure.

- The adventure of the Spirit starts with **conversion**.
- But the long haul adventure of the Spirit is **discipleship**.

So don't be **afraid** to go on an adventure with God.

If we don't listen to God and go with him, we don't get to **enjoy** God's adventure and make memories with him.

But if we respond in **faith and go**, we get to enjoy the adventure and make everlasting memories.

What is God inviting you to do?
