

## **“A Better Understanding” Group Discussion Guide**

### **Acts 18:1-4, 24-28**

Read Acts 18:1-3. What can we learn about life-on-life disciple making from these verses?

Aquila and Priscilla were husband and wife and partners in the spreading of gospel. What are the implications of the overall effects this could have on marriage?

Reflect on the following statement: “Once someone has been schooled in one view it can often mean that they are least teachable for another.”

Have you ever seen this? Has this ever been you? Is it you right now? How should we approach those who are in this place? How do you want people to approach you?

Read Acts 18:24-28. What is the approach of Priscilla and Aquila in speaking with Apollos? How might this shape the way you approach people when seeking to expose them to a better understanding of Scripture?

End your group time with this prayer:

“God we want to know your truth revealed in Scripture and we want to be obedient to it.”
