

## **“J.P.’s Story”**

### Group Discussion Guide

What stood out to you the most from today’s service?

Read 2 Corinthians 5:16-21. Practically speaking, what does it mean for us to be “ministers of reconciliation” and “Christ’s ambassadors?” Share some examples from your day-to-day life.

J.P. had someone lovingly confront him regarding areas of his life that weren’t glorifying God?  
Has anyone ever done this to you? What was the result?  
Why is it so important that this be done in love? (Galatian 6:1).

Is there someone in your life who is caught in sin and needs to be lovingly restored?  
Have you prayed and asked God to show you if you are the person to do it?  
How can the group pray for this situation?  
Please refrain from using actual names of individuals.

Read Exodus 20:1-6. What is an idol?  
What idols are worshipped today?  
Is God showing you anything in your life that may be an idol?  
What will it take to lay it down?  
Are you willing to talk about it with the group?

Read 2 Timothy 1:13-14. J.P. talked about how Bobby disciplined him and the impact it had.  
Have you ever had someone pour into your life in this way?  
Have you ever poured yourself into someone else like this?  
Why is it important?
