What stood out to you from today's service?

Read Genesis 13:3-4. What significance can be found in Abram returning to the place he first called on the name of the Lord and then doing so again?

What might this type of "return" be like for us? (Picture the difference between Abram in Egypt in **chapter 13** and the Abram we see in **chapter 14**). Have you ever experienced this? What did it look like for you?

Read Genesis 14:11-12. Imagine yourself as Lot in this situation. What's going through your mind?

Read Genesis 14:14-16. The Abram we saw in Egypt is now unrecognizable. What's happening here? In what ways does this encourage you?

Read James 1:2-4. How does the testing of our faith ultimately lead to maturity? What does it mean to be mature?

How is COVID-19 and everything associated with it (opinions, guidelines/directives, news outlets, social media, etc.) testing your faith? In what ways should our maturity (Christ-likeness) be seen?
