### Group Discussion Guide

#### **John 16:33**

*"I have told you these things, so that in me you may have peace. In this world you will have trouble. But take heart! I have overcome the world."*

#### **Read Mark 14:35-36**

Jesus is in the midst of the greatest storm of his life. How do we see him do the following in these verses:

- Affirm God's power
- Express his desire
- Offer his trust

What does it look like for us to do this in our own lives? What do we learn from this?

#### **Read John 14:26-27**

According to these verses, how is the Holy Spirit related to the peace Jesus leaves his disciples? How does this affect us?

#### **Read Philippians 4:6-7**

Why should the truth and power of these verses never be underestimated? Have you experienced God's peace in the midst of incredibly difficult times and looking back you realize it "transcends all understanding?" If you're comfortable, share what happened with the group.

#### **Read 2 Corinthians 1:3-7**

How does this help us understand how the "storms" in our lives are used to help others. Has anyone ever walked alongside and comforted/encouraged you from their own experiences in the "storm?" What did that look like?

#### **Read Romans 12:9-18**

What happens when a community of believers acts this way? How does this apply to navigating the storms of life together?
