

The State of Your Soul

May 8, 2022

Group Discussion Guide

1. Last week we talked about viewing others as Jesus sees them. Describe how you lived this out this week.
2. How would you define the word parable? Why does Jesus speak to people this way?
3. **Read Luke 8:1-10** in at least two versions, then ask one person to tell the parable as they remember it.
4. Think through verses 5-8 and how this has played out in your own life. Has God's word always fallen on 'rich soil' when you've heard his word? When has it not?
5. What fruit of someone's life helps you to know that God's word is in fertile soil?
6. What will you do this week to enhance your time with the Lord to enrich your soil so that the crop you yield is so much more than was sown?
