

## Special Guest Speaker Leland Sawyer–Missionary to Uganda Group Discussion Guide July 17,2022

1. What impacted you the most from Leland’s presentation?
2. Were there any victories and/or challenges Leland mentioned that made you think, “That’s happening in our culture as well.”?
3. **Read Ephesians 4:11-15.** What can happen in cultures that identify as predominantly Christian if this scripture is not adhered to? How does this challenge you personally?
4. How can this group strategically pray for the work in Uganda? (Think about things like specific times of prayer and fasting. How often?)
5. As you close out your time, spend some time as a group praying for:
  - The Sawyer family (Leland, Gina, Adilyn)
  - For more people committed to being discipled and disciple makers so that maturity is seen throughout the churches
  - For disciple makers to reach the lost in their areas
  - For patience as people grow in their maturity
  - For perseverance through frustrations while discipling people
  - For leaders on a national level to rise to the top
  - For a regional leadership board who will have the spiritual maturity to lead in selfless ways
  - For financial stability and sustainability within Uganda for the mission as a whole
