1. What are you most thankful for God moving in your life right now?
2. At Harpeth Christian Church, we recognize that some issues are personal or disputable matters where sincere believers may disagree. Since deliverance is one of those topics, how should we approach those differences with one another?
3. Read and reflect on Colossians 2:6-15.
4. Reread verses 6-7. According to these verses, how should receiving Christ as Lord shape the way we live each day?
5. As you listened to the sermon on deliverance from demons, was there a point or idea that especially caught your attention? Why do you think it resonated with you?
6. As you read Colossians 2:14–15, what do these verses help you understand about Jesus' victory on the cross?
7. What hope or perspective do these verses offer to someone who believes they are dealing with demonic or spiritual attack? How does this encourage you?
8. Although it may not be an area you feel called to step into, what does it look like to support believers within our church who serve in deliverance ministry?
