Acts 2: 42-47

Leaders: *Don't feel pressured to get through every question during your group time. Our hope is that your group experiences honest conversation & goes deeper in God's Word—not that you finish the entire list. Feel free to choose the questions that best fit the needs of your group & allow the Holy Spirit to guide your discussion.*

1. What stood out to you from the sermon that helped you see communion in a new way?

2. Read Acts 2:42-47. Why do you think Jesus chose a shared meal as a way to remember him? How can sharing meals deepen our relationships with one another?

3. Just as our bodies need food, our souls need nourishment. What are some emotional or thought patterns in your life that signal your soul is running low? How can we help one another stay spiritually nourished?

4. Communion reminds us of Jesus' victory over sin and death. What lies are you tempted to believe about yourself, God, or your circumstances? How can we remind one another of what is true?

5. When Elijah was overwhelmed and alone, he prayed, *"I've had enough."* Where are you feeling weary or carrying something alone right now? How can we come alongside one another this week?

6. In communion, we proclaim Jesus' death "until he comes" (1 Corinthians 11:26). How does knowing Jesus is coming back give you hope in your current circumstances?

7. Communion also invites us to examine our hearts and relationships. Is there someone you need to forgive, reconcile with, or intentionally love? What is one step you could take this week, and how can we support you?
