Leaders: *Don't feel pressured to get through every question during your group time. Our hope is that your group experiences honest conversation & goes deeper in God's Word—not that you finish the entire list. Feel free to choose the questions that best fit the needs of your group & allow the Holy Spirit to guide your discussion.*

1. What did you find most helpful in the sermon and why?

2. Read and re-read Acts 2:42-47. What most stands out to you in these verses and why?

3. What do you find most appealing about the following definition and why?

"Fellowship" is *koinōnia* in Greek = the partnership, participation, and fellowship that results when people hold Jesus Christ, his Gospel, and his kingdom as the most important thing in life.

4. Acts 2:45 says, "They sold property and possessions to give to anyone who had need." Was this required by God or motivated by their close fellowship? Could we see this same generosity today? Why or why not?

5. In the sermon, Bobby shared two ways that deeper fellowship, true *koinonia,* can develop:

a. Intimate Experiences with God together (sin study, step studies, radical repentance, special shared experiences of the Holy Spirit)
b. Time in relationships (week in, week out, sometimes takes years)

Reflecting on these two ways, share a time when you experienced a deep sense of *koinonia* through one or both.

6. What creates barriers in our lives today that keep us from experiencing true fellowship, true *koinonia* with other believers in the church?

7. If you were to personally take one concrete step in the next month or two to move toward closer *koinonia* with other believers, as described in Acts 2:42-47, what would that step be?
